Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system for the vehicle's useful life, or 10 years/100,000 km, whichever comes first. The warranty is limited to the battery pack and high voltage system. It does not cover the vehicle's body, paint, or other components. The warranty is void if the vehicle is used for commercial purposes or is involved in an accident. The warranty is also void if the vehicle is not used in New Zealand.
