Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the original owner and all High Voltage (HV) components such as the vehicle's main charging cable, main HV cable system, HV battery pack and HV motor system. All other HV and HV related components are covered by the manufacturer's warranty. However, the battery pack is covered by a separate warranty. The warranty is valid for 5 years or 100,000 km, whichever comes first. The warranty is subject to the terms and conditions of the warranty. For more information, please contact Drive EV.
