Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system with a 10-year/160,000km or 8-year/130,000km (whichever comes first) warranty. It also covers the high voltage system, including the battery pack, charging port, and high voltage cables. The warranty is void if the vehicle is used for commercial purposes, is involved in an accident, or is damaged by fire, flood, or other external factors. For full terms and conditions, please refer to the warranty booklet.
