**Drive EV Battery & High Voltage System Warranty**

**What is covered?**

The warranty covers the battery pack and high voltage system for the vehicle's useful life, or 10 years/160,000 km, whichever comes first. The warranty is subject to the terms and conditions of the warranty agreement.

**What is not covered?**

The warranty does not cover damage to the battery pack or high voltage system caused by misuse, accidents, or other external factors. It also does not cover the cost of replacement parts or labor.
