Drive EV Battery & High Voltage System Warranty

What is covered?

Under the terms of the Drive EV Battery & High Voltage System Warranty, Drive EV will repair or replace the battery pack or high voltage system components that are covered by the warranty, at no cost to you, if they are found to be defective or damaged due to a manufacturing defect or failure of the battery pack or high voltage system components. The warranty covers the battery pack and high voltage system components for the life of the vehicle, or 10 years, whichever is the shorter period. The warranty does not cover damage caused by misuse, accidents, fire, theft, flood, or other external causes. For more information, please contact Drive EV on 07 378 0082.
