Drive EV Battery & High Voltage System Warranty

What is covered?

Our battery and high voltage system warranty covers the battery pack and high voltage system for 8 years or 160,000 km (whichever comes first). The warranty is limited to the battery pack and high voltage system only. It does not cover the rest of the vehicle or its components. For full terms and conditions, please refer to the warranty booklet.

The warranty is provided by Drive EV Battery & High Voltage System Warranty, a wholly owned subsidiary of Drive EV. The warranty is subject to the terms and conditions set out in the warranty booklet. The warranty is not transferable and is void if the vehicle is used for commercial or fleet purposes.
