Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system (including the vehicle's control system, cables and connectors) for 8 years or 160,000km, whichever comes first. The warranty is subject to certain conditions and exclusions. For full details, please refer to the warranty booklet.

The warranty does not cover:

- Physical damage to the battery pack or high voltage system caused by accidents, theft, fire, flood, vandalism or other external causes.
- Damage caused by misuse, modification or alteration of the vehicle.
- Damage caused by improper use of the vehicle.
- Damage caused by failure of components not covered by the warranty.
- Damage caused by failure of components not covered by the warranty.

The warranty is subject to the terms and conditions of the warranty booklet. The warranty booklet is available on the Drive EV website or by contacting us on 07 378 0082.
