### Drive EV Battery & High Voltage System Warranty

What is covered?  
 The Drive EV Battery & High Voltage System Warranty covers the battery pack and high voltage system components for 8 years or 100,000 km, whichever comes first. The warranty is limited to the battery pack and high voltage system components only. It does not cover the battery pack or high voltage system components that have been damaged as a result of an accident, misuse, or other external factors. The warranty is void if the vehicle is used for commercial purposes or is involved in a crash that causes structural damage to the vehicle. The warranty is also void if the vehicle is not used in New Zealand. For full terms and conditions, please refer to the warranty booklet. Contact Drive EV on 07 378 0082 or driveev@driveev.co.nz for more information.
