Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system against manufacturing defects. It does not cover damage caused by misuse, accidents, fire, theft, flood, or other external factors. The warranty is void if the vehicle is used for commercial purposes or is involved in a crash that causes structural damage to the battery pack or high voltage system.

The warranty is available on all new EV's purchased from Drive EV. It is not available on used EV's or EV's purchased from other sources. For more information, please contact us at 07 378 0082 or visit our website at www.driveev.co.nz.
