Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system for 8 years or 100,000 km, whichever comes first. It covers the battery pack, high voltage system, and the charging port. The warranty is void if the vehicle is used for commercial purposes, is involved in an accident, or is damaged by fire, flood, or other natural disasters.

What is not covered?

The warranty does not cover the battery pack or high voltage system if the vehicle is used for commercial purposes, is involved in an accident, or is damaged by fire, flood, or other natural disasters. It also does not cover the battery pack or high voltage system if the vehicle is damaged by fire, flood, or other natural disasters.
