Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system for the vehicle's useful life, or 10 years/100,000km, whichever is longer. The warranty is limited to the battery pack and high voltage system only. It does not cover the vehicle's body, paint, or other components. The warranty is void if the vehicle is used for commercial purposes, is involved in an accident, or is damaged by fire, flood, or other external causes. The warranty is also void if the vehicle is modified or altered in any way. For more details, please refer to the full warranty terms and conditions.
