DRIVE EV
100% Electric Vehicles

Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system (including the charging port, cables, and connectors) for the duration of the warranty period. It also covers the cost of labour and parts for any repairs or replacements required during this period.

The warranty is valid for 8 years or 100,000 km, whichever comes first. It is subject to certain conditions and exclusions. Please refer to the full terms and conditions of the warranty for more details.
