Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system for the vehicle's useful life, up to 10 years or 100,000 km, whichever comes first. The warranty is limited to the battery pack and high voltage system only. It does not cover the vehicle's body, paint, or other components. The warranty is void if the vehicle is used for commercial purposes, is involved in an accident, or is damaged by fire, flood, or other external factors. For more details, please contact Drive EV.
