Drive EV Battery & High Voltage System Warranty

What is covered?

What is covered by the Drive EV Battery & High Voltage System Warranty? The warranty covers the battery pack, high voltage system, and charging system. It is a 10-year/100,000 km warranty, whichever comes first. The warranty is subject to certain conditions and exclusions. For full details, please refer to the warranty booklet.

What is not covered?

The warranty does not cover: damage to the battery pack, high voltage system, or charging system caused by misuse, accidents, or fire; damage to the battery pack, high voltage system, or charging system caused by unauthorized modifications; damage to the battery pack, high voltage system, or charging system caused by natural disasters; damage to the battery pack, high voltage system, or charging system caused by theft or vandalism; damage to the battery pack, high voltage system, or charging system caused by wear and tear.

The warranty is subject to the terms and conditions of the Drive EV Battery & High Voltage System Warranty. All Drive EV vehicles are sold with the warranty. For more information, please contact Drive EV on 07 378 0082 or visit www.driveev.co.nz.
